DON'T LET THE HOLIDAYS WASTE ALL YOUR ENERGY!

FREE HOLIDAY LIGHT EXCHANGE

Exchange your old holiday lights for new, energy efficient LED lights.

SAVE ENERGY, SAVE MONEY SAVE THE ENVIRONMENT

If you are a residential customer of Southern California Edison, you can exchange your old holiday lights for new LED (light emitting diode) holiday lights -- a completely different type of technology that uses up to 98% less energy. This means you'll save money on electricity bills. LED holiday lights are also better for the environment, safer because they emit almost no heat, and can last 10 times longer than traditional lights.

DETAILS.

When: December 3 through 21-- times vary by location

What to bring: One strand of old holiday lights*

What you'll receive: Box of new energy efficient, LED holiday lights

Who is eligible: All residential customers of Southern California Edison

Mon - Fri, 9am - 6pm

Don't miss the Annual Tree Lighting Ceremony at the Goleta Valley Community Center on Friday, December 7, from 5 to 7 pm. Exchange your holiday lights at the ceremony! The Center is located at 5679 Hollister Avenue in Goleta.

Supplies are limited and will be distributed on a first come, first served basis. To check availability or for other questions, visit **SouthCoastEnergyWise.org** or call **(805) 963-0583 x105**.

* Distribution centers will accept and dispose of more than one old light strand, but only one strand of new LED lights will be given to each household.

This program is brought to you by the **South Coast Energy Efficiency Partnership** -- a collaboration between the City of Carpinteria, City of Goleta, City of Santa Barbara, County of Santa Barbara, and Southern California Edison. Implementation support is provided to the partnership by Community Environmental Council, a local non-profit organization. This program is funded by California utility customers and administered by Southern California Edison under the auspices of the California Public Utilities Commission.
